Thank you for your interest in the ongoing development of Penticton Christian School. We in no way want your giving to this endeavor to take away from those areas that you have already committed to. We also believe that your support for your local church (if you have one) should not be adversely affected by your decision to give to this project. We invite you to take some time to decide what you would like to do.

## SUMMARY OF NEEDS:

For **Phase I**, we received about \$520,000 in gifts & donations, with donation amounts ranging anywhere from \$10 - \$150,000. Phase I of the new PCS campus was built for a cost of approximately \$1,100,000.

**Phase II** of the new school campus will provide a gymnasium/assembly area for the students as well as a library and more classroom space. Our goal is to raise \$300,000 before September of 2009, at which time we will break ground on Phase II.

Although the task is a large one, we believe that with God's help, the needed funds will be provided and the vision of providing a Christian education for hundreds of students over many years to come will be realized!

We ask that you would prayerfully consider what you are able to give to help reach this goal and make the vision a reality. Any size gift is appreciated!
